

PRE
APPRENTICESHIP
PROGRAMME

HAVE YOU EVER WONDERED WHAT HAPPENS IN OUR STATE OF THE ART TRAINING FACILITIES

Would you like to find out more about apprenticeships and whether it's the right route for you? Well we have developed a Pre Apprenticeship Programme to allow you to fully explore the apprenticeship route.

Applications are now open for our new Pre Apprenticeship Programme. The course is open to students currently studying in Year 10, 11, 12 and 13.

We have modified the delivery of the Pre Apprenticeship Programme following on from the impact of COVID19, ensuring that we can reduce numbers of students visiting the training centres at one time.

The Pre Apprenticeship Programme will now be delivered both online and face to face.

PRE APPRENTICESHIP PROGRAMME

During the programme you will be involved in a range of workshops. Part of the content will be accessible online and part face to face at the centre. The units of work are linked to:

- Health and Safety
- Fluid Power
- Engineering Techniques
- Electrical Engineering
- Welding and fabrication
- Advanced Manufacturing Techniques
- Business Development & HR
- Apprenticeship Application Process
- Interview Techniques
- Meet link businesses

By the end of the programme you will have gained key skills, knowledge and understanding to enable you to make a more informed choice. The programme will support and develop your skills and knowledge across the range of sectors within Engineering and Manufacturing. It will also give you the key employability skills to enable you to be successful in applying for an apprenticeship, job or training course, dependent on what you decide.

PRE APPRENTICESHIP PROGRAMME

DATES FOR PRE APPRENTICESHIP PROGRAMMES

The online content will be delivered using an online learning platform. You will be sent an invitation and you will be expected to attend an online session where you will be expected to carry out some preliminary tasks prior to attending the centre. You will receive ongoing feedback once you submit the tasks online.

The second part of the programme will be delivered at the centre on either of the dates below.

DATES	VENUES
Option 1 22nd - 24th February 2022 Venue: Telford	In-Comm Training Aldridge 12 Vigo Place, Aldridge Walsall WS9 8UG

Option 4 9th - 11th August 2022 Venue: Shrewsbury	
Option 5 16th - 18th August 2022 Venue: Telford	
	TIMES
	9am - 4pm

DEADLINE FOR APPLICATIONS

The deadline to apply for each course will be two weeks prior to the course commencing to allow us to register you on the course.

This course is very popular and will be given to the most successful candidates on a first come first serve basis so we would encourage you to apply early.

*Places on the programme will be limited to 6 candidates each cohort.

If you are interested in applying for the Pre Apprenticeship programme please use the following link for the upcoming dates, or contact a member of our team:
